

SERVING OTHERS

What joy we find, in the work of the Lord,
As the days go swiftly by,
A small deed kind, a smile and a word,
As the busy moments fly;
A prayer or a song, for hearts sad or torn,
May strengthen some soul today,
It doesn't take long to share a burden borne,
As you travel along life's way.

..Peace of Mind, where material values of
money and pleasure are the whole object
of human pursuit."
