

SOMEBODY CARES FOR YOU

Somebody cares for you,
I want you to know, it's true;
When your body is sick,
And your mind is dull;
Your heart is pained,
And your eyes brimmed full;
I want you to know, it's true,
Somebody cares for you.

Someone cares for you,
I want you to know, it's true;
When your heart is sad,
And you're far from home;
When your friends are gone,
And you're all alone;
I want you to know, it's true,
Someone cares for you.

Somebody cares for you,
I want you to know, it's true;
When your burdens are heavy,
Too heavy to bear;
And you have no one
With whom you can share;
I want you to know, it's true,
Somebody cares for you.
