

If you answer yes to any of these questions you might need alcoholics anonymous in your life:

- 1.** Do you sleep on the couch since you set your bed on fire when you passed out while smoking?
- 2.** Was your liver purchased on the black market in South America?
- 3.** Was the woman you woke up next to last Sunday really your wife; in fact was she really a woman?
- 4.** Does every bartender in the neighborhood recognize your wifes voice and automatically tell her you're not there?
- 5.** Have you ever considered the priesthood just for the wine?
- 6.** Did the family next door go to Disneyworld last year on the money they made from recycling your empties?
- 7.** Did the hotel room you rented on vacation last year seem awfully cramped until you woke up and realized you were sleeping in your car?
- 8.** Do you have a tab down at the local police station for your DUI fines?
- 9.** Do you choose your cologne for its taste rather than its scent?
- 10.** At your favorite bar do they have a special stool made for you with a seatbelt and a roll bar installed?
- 11.** Do you think the "morning after pill" is a new hangover cure?
- 12.** Is your favorite color amber?
- 13.** Is your new home made of heavy duty cardboard and says "Kenmore" on the side?
- 14.** Have you ever woken up some morning wearing someone elses underwear?
- 15.** Is your kids favorite song during the Holiday season, "Please Daddy Don't Get Drunk This Christmas.?"
